Assessor Comments	19 Cashmore Oaklea Maternal composite ewes. They started with a composite base and have been crossed with a Cashmore Nudie ram however they still appear to be near straight composite ewes. Some ewes have 'Saddle back' skins and some still have full wool, however they were all shorn when we assessed them. They are mixed age with 3,4 and 5 year olds among them. All the ewes reared a lamb in 2021. They averaged 69kg at assessment, all ewes are OJD vaccinated. Good sound ewes. The vendor has ram lambs for sale if the potential purchaser is interested.
