Assessor Comments	100 Cashmore Park Nudie ewe lambs to be split into 5 lines of 20, sold 'run out the gate'. They are June / July 2021 drop, weighed between 26-40kg to average 33.5kg. There are lambs that have tails (see photos). They were drenched on the 15/11 with Triguard, and OJD vaccinated on the 20/11. Not all lambs are full shedders, approx 10% of the flock gets shorn each year, this is due to the maternal influence in the breed though the percentage shorn is getting less each year. The vendors adult ewes scanned at 150% last year. The vendors have been using Cashmore Park Nudies for 4 years. A tidy line of ewe lambs that will be very low maintenance.
