Assessor Comments	Pure Egelabra bld wether lambs, offering 960 in 2 x 480 head lots, delivery to be a run out the gate. Presenting in store condition with good coverage over the short rib, will respond off shears. Observed odd lamb with some stain/dag on crutch, presenting with normal wether horn, odd thicker, 1 lamb that tail has not dropped off. These lambs are ideal to target the trade/export market or keep as wool cutters, presenting stylish soft handling wool with good definition. Out of a classed flock.
