Vendor Comments	Selling to make room in the feedlot for ewe lambs. Good opportunity to purchase lambs that are all set up.		
Assessor Comments	Great opportunity for lamb finishers to put away a big run of lambs already started on feed. Lambs have been in feedlot 5 weeks and are covering up and going ahead. Only five weeks off the board and with all the current health treatments they are prime to take on and finish off to heavier weights. These represent the tops of the drop. Note: vendor has total of 1145 shorn lambs in sale. and 310 Spring Woolly lambs. Note: See video.
