	Plain	20%	Light	40%
			Medium	20%
Assessor Comments	Second run of the Tuloona wether lms. Only for sale as the property has been sold. 2505 of the tops in this sale. These lms are only young and were grain imprinted on the ewes, currently receiving 1.5kg of Barley/Lupin mix per week. These lms on good feed will grow ahead and cut a good fine wool fleece later in the Autumn/Winter and go on to be productive woolgrowers or fatten next spring for slaughter. All animal health treatments are up to date so all they need is good quality feed.
