Assessor Comments	A very nice line of Riverina bred Merino White Suffolk X Ewe lambs. Ewes have been running on Mt Gow since September and have grown very well since arriving. Ewes are at a good joinable weight and are showing the maturity that indicates they'd join up in the near future given the opportunity. These ewes present a great opportunity for a lamb producer to purchase young stylish crossbred ewes at a reasonable rate. Ewes were Gudair vaccinated on 1/12/2012. These ewes are 210 of 920 Merino W/Suffolk X ewe lambs to be offered in this sale by Rocklea Pastoral.
