JD Approved Vaccinates	Sheep are JD Approved Vaccinates. Vendor has been continuously vaccinating all retained lambs in the flock for 6 years		
Vendor Comments	Quality line of composite wether lambs.		
Assessor Comments	Smart line of Composite wether lambs. These wether lambs are the tops of the shorn lambs off the property and are an even line of sheep. Lambs present in forward and fresh condition with an excellent bill of health. Given the right conditions I have no doubt that these lambs would be perfect to feed on and would grow out into neat trade to export weighted lambs.		
Assessor	Dean Jenkinson (Level 2 Accredited) Parallel Assessed By : Jack Hickey
