Joining Access Details	The Rams were out with mum at time of weaning
Assessor Comments	An excellent opportunity to buy some young Australian White ewe lambs, these ewe lambs range from f3 to full blood and are based on Baringa and Grathlyn Blood lines. the tops have been retained and are already running with the rams. There is 4 lines (25) of these ewe lambs on offer today and are being sold Run out the gate. Ranging from 23 to 47kg mostly score 1 in condition to avg close to 34.9 kg at assessment. They have been born in very trying conditions with 2021 being an extremely low rainfall year for this area hence to hand feeding. any questions please call me.
