Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	Neat line of Mixed sex store lambs that are in forward store condition. These lambs show a nice frame with good depth of body and bone. Lambs are out of large framed mallee ewes. The lambs are at the ideal weight to put in a feedlot or stubble to take out to export weight lambs. Vendor is selling due to feed is running out, a tail has been removed.
