Assessor Comments	A good line of store lambs that just need a little more. Lambs will jump out of there skins on feed or with a fresh stubble. These lambs have always preformed well in other years and are nearly there. A handful of old fly patches that are fully healed and are included in the line. Any dirty lambs will be tidied up before delivery. Vendor has a line of XB lambs in the same sale. Note 2 lambs with black spots on head and face.
