Assessor Comments	A quality run of Black tag rising 6 year old SIL 1st Cross ewes. Have been scanned at 162% in lamb to the FELIX Poll Dorset Rams. These ewes are in excellent condition and ready to commence lambing at the end of February beginning of march. Mouths are sound. These ewes are bare shorn for protection to fly pressure. Odd ewe with some old fly scarring that is deemed not detrimental to health. These ewes are proven breeders of outstanding quality 2nd X Lambs.
