Assessor Comments	On offer is a line of Poll Dorset x Merino ewes, 1.5 years old (spring 2020 drop). These young ewes have already reared a lamb, with the lambs only being weaned the day prior to assessment. They show good frame and fertility, having all been SIL as ewe lambs. Ewes are bare shorn and would be ideal to go onto a rising plane of nutrition to join to the rams of your choice in autumn. Great opportunity to purchase fertile young ewes which are proven breeders. Vendor also has 2x lots of SIL Merino ewes on offer in this sale.
