Assessor Comments	The Peel Family have decided to have a reduction sale of there 4 year old ewes and putting in more crop so there well loved ewes have to go. Ewes are well grown and are in good health and would join up with no problem. Ewes are all sound and any dirty ones have been crutched. Ewes with plenty of life left in them would fit well into a cross bred environment. JUST A NOTE in the videos a couple are limping they have cut their feet coming up the race and if still are limping at delivery will be removed.
