Assessor Comments	Complete classed in rising 3 year old superfine Merino Ewes. Based on Merryville and Conrayne blood, these ewes are producing ASF3 spec 15.5-16 micron wool each year, wool was sold last week to a top of 2500c. All ewes produced a lamb this year, however have not had the chance with a ram yet. Ewes would be the ideal article to join to a ram of choice along with a handy wool cheque at the end of the year. Only selling due to the loss of lease land.
