Assessor Comments	Opportunity to purchase a line of 5.5/6.5 yr old Border Merino Ewes surplus to needs due to feed. Ewes were to be retained but feed has dictated the sale. Ewes have been running with White Suffolk rams since 7th Jan. A sample was mouthed with the majority sound but some with front teeth missing or loose teeth. Worm egg count done recently and was zero. Access to mineral licks currently. Given good feed these ewes will raise excellent 2nd x Lambs.
