Assessor Comments	A great opportunity to purchase a line of Classed in breeders. Selling 2 lots of 432 in the complete drop. These will be split as a run out the gate. These Matrons have seen the worst seasons can deliver and maintained survival, fertility and wool cut which is a credit to the bloodline and management. These come highly recommended by our Company. #NOTE - 55 Mouthed down the race with only 1 showing a missing front tooth. The balance were solid and evenly worn.
