Assessor Comments	65 ewe lambs that have been running with White Dorper rams, These ewe lambs are just the younger lighter end out of the main line they are excellent quality and out of very well bred White Dorper ewes. The Greenfields have been focusing on easy doing large frame, fertile sheep and this shows in these young ewes, with plenty of years ahead of them these ewes will make excellent breeders for many years. They were bred on the vendors northern property and brought down to their farm over time. Billa Kalina will offer another 300 tops and a line of 26 coloured ewes in this sale to make a total of 391.
