Assessor Comments	A very good quality line of 100% milk tooth HGP FREE steers .Sired by Bulls from renowned Leading Santa Gertrudis studs have piece of mind these steers will not disappoint in any situation going forward..In spec for the domestic Woolworths job or be confident taking them back to grass where they will continue to grow and gain weight and they all have the frame to grow into bullocks down the track..1 str with a twisted nose not worrying him in any way. 1 Black str and 2 Baldy face str make up the mob to load as 3 light decks.
