Assessor Comments	Buyers, on offer are 33 good quality Charolais, Simmental Santa x heifers the would suit the Woolworths and Coles specifications. These would be ideal to take through trade feeder weights or keep and take through to kill weights with potential MSA gradings. These heifers show very good weight for age with plenty of length, depth and softness. Buyers please note 1 heifer with growth on left eye at time of assessment. Heifers are very tidy around the heads and could also be used for replacement breeders. This is a quality little line up of weaners and are not to be missed. *Please note vendor has another lot in same sale to make up 2 decks.*
