Assessor Comments	Buyers, on offer are 24 predominately Drought Master infused heifers the would suit Restocker's looking to build numbers and join to a bull of their choice. These would also be ideal to take through trade feeder/ export weights or keep and take through to kill weights. These heifers show good length and depth. Heifers are very tidy around the heads, This is a quality little line up of weaners and are not to be missed. *Please note vendor has another lot in same sale to make up 2 decks.*
