Assessor Comments	Buyers, on offer are 54 predominately Angus infused milk tooth steers the would suit backgrounders looking to background for the Woolworths trade. These steers would also be ideal to take through trade feeder weights or to keep and take through to kill weights with potential MSA grading's. These steers show good frame and will have plenty of compensatory weight gain due to only presenting in store condition. Steers sired by ultra-black bulls show no pizzle and are very tidy underneath. Buyers please note 6 head had blight at time of assessment and 4 steers with minor warts at assessment. Steers are very tidy around the heads, This is a quality little line up of Yearling steers that are not to be missed. *Please note vendor has another lot in same sale located at Wandoan 80km from property to property to make up 4 decks.
