	Steers were good to handle in all parts of yards. They fed up into the crush well when being assessed. Some steers did move off quickly when pressure was applied in bigger parts of the yards. Once left alone they settled quickly.

Assessor Comments	Buyers here is a opportunity to buy a good line of Hereford steers that present in forward condition. These steers will suit backgrounders to grow out to heavier weights or trade weights. These steers are really powering on after purchasing and i would expect will continue to perform on the right feed conditions.
