Heifers were good to handle in all parts of yards. They fed up into the crush well when being assessed. Some heifers did move off quickly when pressure was applied in bigger parts of the yards. Once left alone they settled quickly.

Assessor Comments

Buyers here is a opportunity to buy a good line of Angus heifers that present in forward condition. These heifers will suit backgrounders to grow out to heavier or trade weights. Some of these heifers are really powering on after purchasing and i would expect will continue to perform on the right feed conditions.
