Assessor Comments	Gilliland livestock Marketing offers 12 Droughtmaster cross HGP free backgrounder steers. This particular line of steers present in forward store condition and handled very well on assessment. Flat back steers with plenty of length and frame making them ideal to take through to heavy feeder weights or grow to bullocks. Steers were mouthed on assessment with 3 fresh 2 tooth steers and the rest solid milks. With only a 60kg spread in weight these steers would be an ideal article for any backgrounding operation. A lot not to be missed. Vendor has additional lots in the sale.
