	Very good temperament. Worked well through yards and crush. Some heifers did run about a bit in yards but easily blocked.

Assessor Comments	A very good line of Charbray, Angus/Droughtmaster, Droughtmaster/Charolais cross heifers. Approx 80% purchased ex Emerald area -1 brand, balance purchased ex Glenmorgan district - Clonlara blood. Emerald heifers - breeder buys bulls from various sales at the top end of the market. Heifers are well grown and in good condition and doing very well on feed. Heifers show good bone and type. Heifers described as Droughtmaster/Charolais Cross showing varying degree of Charolais influence from slight to 50%. Note: 1 heifer appears straight Charolais. 1 heifer has small dog bite next to tail, 1 heifer old blue eye scarring, 2 heifers small warts - eye and ears. These heifers are a very good line of heifers to take through to trade/export feeder cattle. Would also be very good line of future breeders. Note: Vendor has one lot (98hd) Droughtmaster sisters in this sale.
