| Assessor Comments  | A top quality line of Droughtmaster, Droughtmaster cross Angus steers. Vendors are principals of Elkay2 Droughtmaster Stud. These steers have very good temperament and are very well grown. They show very good bone and muscling. Note: 1 steer has small indentation on spine mid back. (Not deemed detrimental). Very well bred cattle that have a excellent reputation. Previous purchasers of both steers and females have always commented very favourably on cattle. Steers that would suit any feeding program or take on to heavier grass fed market. |                         |           |                             |
