Weaners were an absolute breeze to handle in yards. Heifers did have slight rush around yards when pressure was applied, but quickly calmed when that pressure was removed. Heifers have been handled by vendor on her own & are used to daily interaction with her.

Opportunity knocking! 11 absolute cracker heifer weaner calves. These F1 Speckle Park Angus cross heifers are your opportunity to step into the Speckle Park breed. These heifers show lovely growth & softness & should become a real asset in any breeding herd. Heifers are quiet and have been handled by vendor who checks her cattle daily. Heifers are sired Three Way Speckle Park P20 a polled white bull. Please note at least one of these heifers observed with slight blue eye scarring, wouldn't be considered detrimental. Also note vendor has signed Pasturefed Cattle Assurance System Non-Certified Supplier Declaration. Vendor also has steer weaners (brothers to these) in today's sale.
