Assessor Comments A run of Angus steers presenting in a store condition. Steers show good length and depth for age and stand with frame.

Steers would perform well on a crop, grass or to take out to heavier weights. A great opportunity to purchase a good run of steers. In total offering of 220 steers there was approximately (11) steers that looked to be late cut. (3) steers had a blue or cloudy eye. Will be delivered as 1x110 & 2x55 lots run out the gate delivery so weight may vary.
