Assessor Comments	An opportunity to purchase a good draft of Vendor Bred Angus & Angus x Steers. These 34 Angus steers are only 12 months of age and all have plenty of frame and stretch to work with all bred from predominately large framed Tumber Station Cows. They have all been yard weaned for 7 days back in the winter last year and are in ideal store condition to march ahead. Very odd steer with old pink eye scarring. Grass Assurance declaration will be supplied. Steers that will perform given the right opportunity.
