Assessor Comments	An opportunity to purchase a good draft of Vendor Bred Angus, Ultrablack, Santa & Charolais/Santa x Heifers. These 61 Heifers are only 12 months of age and all have plenty of frame and stretch to work with all bred from predominately large framed Tumber Station & Lake Nash Cows. They have all been yard weaned for 7 days back in the winter last year and are in ideal store condition to march ahead. Any Heifer that wasn't up to standard was removed. Very odd Heifers with old pink eye scarring. Grass Assurance declaration will be supplied. Heifers that will performer any program given the right opportunity.
