Assessor Comments	A very nice, small line of pure Angus heifer weaners. As mention earlier Sandon Glenoch blood off cows purchased earlier last year. Heifers with plenty of frame, style and type. Properly yard weaned for eight days back in mid November these heifers now display the temperament that comes with proper handling and education being a pleasure to work with. If you are looking for a small mob of heifers to take on as future breeders or as a line to grow out to feeder weights or fatten they are worthy of a close consideration.
