Assessor Comments	Quality line of NSM Angus heifer weaners 10/11 months. A rare opportunity to purchase the top of the drop Heifers from the Shore families autumn calving herd. These heifers are showing great weight for age and would make good breeding females in the future. A good line of Heifers which would be an asset to any breeding operation ready to join to bull of choice. Heifers come highly recommended by agent. Vendor sources sires from Dunoon, Crawford & Bongongo focusing on fertility and temperament. Please note Heifers will be kept in small paddock until delivery, with native pastures and feed hay to help wean properly. One heifer noted with white on udder. Please see vendors line of 12 steers in same sale.
