Handled With	Excellent to handle through yards. Good quiet heifers with only 1 heifer becoming agitated in the crush.					
	Bikes , On foot					
Assessor Comments	A good line of Reiland blood Angus heifers that would suit either breeding or feeding. Heifers are well and truly in forward store condition and are shining up in the coats. It was also noted at assessment that the heifers were bulling. Please note, 2 heifers have white underbelly and 1 with a very slight cloudy eye that was deemed not detrimental.
