Assessor Comments

Very nice line of 8 Angus steers. These quality steers show plenty of length, depth and shape. They are by Hicks Angus bull out of good medium to large frame angus heifers. These steers have been running on lucerne and mum doing very well. They were good to handle through yards and crush only 1 steer had a little bit of run. These steers have had no antibiotics or grain. Please note one steer was marked later than others. Lovely quality steers that won't take long to finish.
