	The steers were easy to handle and only a couple got a little twitchy on the scales as the reader took a long time to settle on a weight. Normal introduction to a new place should see them settle quickly.					
Handled With	Bikes , Dogs , Horses					
Assessor Comments	This nice small truckload of baldy steers should grow on and fatten nicely with a good cross in their breeding to give hybrid vigour. The steers are well handled and managed. The successful buyer will be getting frame without excess weight, a bonus in a season like this one. The vendor has 14 heifers in the same sale.
