	The heifers were easy to handle and only a couple got a little twitchy on the scales as the reader took a long time to settle on a weight. Normal introduction to a new place should see them settle quickly.					
Handled With	Bikes , Dogs , Horses					
Assessor Comments	This nice small truckload of baldy heifers should grow on and represent a good cross to become productive breeders in the future. Alternatively the heifers would fatten or feed very well. The heifers are well handled and managed. The successful buyer will be getting frame without excess weight, a bonus in a season like this one. The vendor has 13 steers in the same sale.
