Assessor Comments	Good Quality line of station mated cows with calves at foot on offer presenting in fresh forward store condition, having been run continuously with Charbray and Simmental bulls. This is a ideal line for a re-stocker looking to build numbers with calves to grow out for the domestic market. At the time of assessment there was 1 cow with enlarged teat but not a issue for the calf. Please also note the vendor has another line of 36 cows x 36 calves on offer in the same sale today which would make up approximately a 4 deck load. PLEASE NOTE THE VENDOR IS ALSO OFFERING UP 36 COWS X 36 CALVES IN THE SAME SALE TODAY.
