Assessor Comments	Red Angus bull. Redgate Noah, bred by Redgate Red Agus and purchased by the vendors as a 2 year old. This large framed bull has sired some quality calves for the vendors, he has been used over heifers with no problems. Easy to handle and quiet in the yards and paddock. Vendors have sold their remaining cows and therefore have no further use for this Bull. Noah was inspected by vet Steve Kelly at assessment with a crush side semen evaluation of 80% and scrotum measurement of 43 cms.
