Assessor Comments	This is a Very Nice Line of Angus Cows & Calves. These Cows & Calves were purchased off Auctions Plus in early November 2021 off the Murphy Family in Kyogle who have Breeding Angus Cattle in The Northern Rivers for many years using mostly Booroomooka Bloodlines. The Cows present in Strong to Forward Store Condition. Cows were quiet in yards with a couple stirring up in the head bale but settled when returned to mob. Cows had opportunity to Angus Bulls prior to being purchased & have been running with a Glenisa Angus Bull for the last 2 months. Calves are doing very well they have been drenched & 5 in 1. There are 3 calves with blight as photo's show they were treated at assessment. Vendors are offering these cow & calves as calves are a little late for their program. Please not 1 cow has an old hip mark. Cows were mouthed at assessment with 1 cow missing 1 tooth see photo. Restockers please take note this is a very good line of Genuine Angus Cows & Calves.
