Assessor Comments	Here represents a great opportunity to get a calf for the very lucrative F1 Wagyu market. No issue with bull pedigrees as Maria River is a high end Wagyu x Angus supplier to Australia's leading feedlots. These cows are CFA but intact confirmation wise and all udders appeared solid. All cows are very healthy and clean in coat with 1 cow presenting in store condition. These cows present a good trading prospect. cattle are quiet advanced in calf and a very long distance travel wouldnt be advisable.
