Assessor Comments	Buyers a good opportunity to secure a 56 x 56 good quality Angus and Angus Cross Cows and Calves. These Cows present in good strong store condition doing a good job on their Calves and look to have been going ahead on good fresh native feed showing loss of old hair and shining in their coats. Cows create a great opportunity for a breeding operation with a high percentage being only mid age Cows or a fatten and split operation. Please note noticed at assessment 1 Cow with a capped hip and 1 Calf with an active eye please take into bidding allowance.
