Assessor Comments	On offer we have an outstanding line of 21 PTIC Angus and Angus Cross heifers. These young females have had all the hard work done, the heifers exhibit plenty of stretch combined with very soft, deep bodies. They are clean, easy doing young females. The heifers have been joined to a registered Angus x Murray Grey heifer bull and will grow into fantastic breeders, making them a great opportunity for the purchaser!!! NOTE: Some heifers in the line present warts on both their face and neck. 2 heifer present signs of old ringworm
