	Easy to handle heifers. They were assessed straight after Preg Scanning and they behaved quite well. One heifer took its time to settle in the crush but mostly well behaved.
Handled With	Dogs , On foot , Vehicles
Assessor Comments	A Very good line of Angus Heifers that have had an opportunity to grow out before joining. They are large framed heifers

that have seen a good season. They were pregnant tested in calf prior to assessment and should preform for your operation. Please note one heifer in this mob has calved before after purchase. Joined to a young Angus Bull with no paperwork but selected on shape to suit heifers. Due to calve mid July Onwards
