Assessor Comments	7 2nd Calving Brangus cows with Angus calves at foot. Easy to handle, quiet cows, all in good forward condition. Cows are doing an excellent job on there calves. As this is only their second calf, the cows still have there full life ahead of them. They have not been re-joined meaning purchaser can put a bull of there choosing back with them. Cattle were purchased off a Brangus breeder in Marranoonbar NSW and bought down here as un-joined heifers. Bull calves can be marked with rings at purchases request. Cows feet are starting to crack.
