Assessor Comments	A great opportunity to purchase 3 in 1, heifers are rising three years old and are Te-Mania blood, with 2-3 month old C.A.F, calves are Paringa blood and have had two 5in1 vaccinations, heifers have had the opportunity back with the Paringa blood Angus bull since the 01/01/22. Would highly recommend the purchase of these heifers. They were easy to handle and showed great temperament throughout the paddock and yards.
