Assessor Comments	A line of vendor bred Hereford Heifers, 2.5 year old, PTIC to Melville Park Hereford Bull. Heifers are August/September drop 2019 and showing great weight for age. Heifers were joined to the bull from the 16th June for 8 weeks therefore will commence calving mid march. Due to seasonal adversity, Heifers must be sold to focus on fattening bullocks. These heifers would suit any discerning buyer looking for sound breeders that will produce quality calves.
