| Assessor Comments  | A quality draft of Simmental & Hereford X, rising 5 year old, 3rd calvers. All cows are PTIC to Woonallee Simmental bull to commence calving mid April for 6 weeks. They were purchased out of Naracoorte as heifer weaners & the temperament in these young breeders is quite simply outstanding!! This is part 2 of a planned 3 stage dispersal of the well known 'Burrendah' herd! **Please note, vendor has two other lots in this sale & 1 lot of heifers in the weaner sale. |
| Assessor           | <b>Zac Van Wegen (Level 2 Accredited)</b>                                                                                                                                                                                                                                                                                                                                                                                                                                          |
