| Assessor Comments  | A quality draft of Simmental, Hereford & Angus X, rising 2 year old, 1st calvers. All heifers are PTIC to Shady Park Angus bull, except for the Simm/Red Angus x heifer who is PTIC to Tennysonvale Simmentals bull to commence calving start of March for 7 weeks. The temperament in these young breeders is quite simply outstanding!! This is part 2 of a planned 3 stage dispersal of the well known 'Burrendah' herd! **Please note, vendor has two other lots in this sale & 1 lot of heifers in the weaner sale. (Simm/Red Angus heifer can be taken or left at buyers discretion) |                                                          |  |
| Assessor           | <b>Zac Van Wegen (Level 2 Accredited)</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                          |  |
