Assessor Comments	An exceptional line of **EU Accredited** vendor bred Angus heifers that carry many years of AI breeding in their genetics. Heifers are predominantly Te-Mania and Ardrossan Blood and have been pregnancy tested in calf to sons of Millah-Murrah K400 and Musgrove blood heifer bulls. These heifers are well proven previously and will make sound breeders for many years. Heifers are predominantly medium framed and are of sound feet and structure. Genuine breeder cattle.
