Vendor Comments	The Annual Sale of Store Crossbred Lambs.		
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	A very good line of vendor bred young store lambs bred out of a heavily classed Merino Flock by high indexing Poll Dorset Rams . They are currently running on an Improved Fescue/Rye/Clover Pasture and are moving forward in condition . The lambs are of high quality . They would be suitable to fatten for the domestic or export markets. Please note that there are another 500 Lambs of the same draft (Run out the gate) in this sale. Also note that the lambs will be weaned at delivery.
